

Spanish Waltz

Formation: One couple facing another couple, gentlemen on the left of their ladies

Long line or circle around the room

Progressive

- A. Holding inside hands with partner, advance and retire (2 bars)
- B. Drop partner's hand and take the inside hand of the person across (gentleman's right hand, lady's left hand), lady backs under the gent's raised hand into place on his right-hand side. Each lady, now with the opposite gent, is facing her partner across the set from the side position (90 degrees to the right of where she started). Gents have moved 90 degrees left of where they started (2 bars)
- C. Repeat A and B three more times, gentlemen continuing to move left and ladies right each time until back with partner in opening position (12 bars)
- D. Gentlemen take a right handshake across, as do ladies, and wheel around (4 bars), returning with left handshakes (4 bars)
- E. In waltz hold, the two couples waltz a complete circle around each other and then halfway again, progressing down the line in the direction which they began the dance to meet a new couple (8 bars)
- F. Repeat A-F with each new couple
